

# the sound of great design

Experience the full, dramatic impact movies and music are meant to deliver with a Bose® Lifestyle® DVD home entertainment system, featuring state-of-the-art technology that automatically adjusts the sound to fit the unique size and shape of your room.

THE DESIGNER | **ALEXA HAMPTON**  
President, Mark Hampton, LLC

ALEXA HAMPTON is president and featured designer of the New York-based Mark Hampton, LLC, a world-famous design firm founded in 1976 by her late father, Mark Hampton. Whether designing a private yacht, a sprawling residence, or a luxury screening room, Alexa brings her eclectic style to each project. A graduate of Brown University, she has won many awards and accolades and has been profiled by the media on numerous occasions. In addition to creating great interiors, Alexa lectures about design around the country.

The ideal home theater begins with comfortable, well-designed seating, great acoustics, just-right lighting, and an ample supply of popcorn. But what really enhances your movie-watching experience is a superlative sound system that envelopes you and literally transports you to the set.

— Alexa Hampton
