Ready for your vanishing act this holiday? Poof! Unwelcome facial hair disappears in two simple steps with new **Olay Smooth Finish Facial Hair Removal Duo**. Now you can face the season—and the cameras—with confidence.

“I’m excited about new **Olay Smooth Finish Facial Hair Removal Duo**. Its conditioning balm prevents the depilatory’s strong ingredients from penetrating the skin. This allows the powerful depilatory to remove facial hair with minimal irritation, leaving behind beautifully smooth and healthy skin.”

HOLIDAY TWO-STEP

Celebrity esthetician Jillian Write reveals her top two tips for split-second beauty during the busiest time of year:

1 Do It Yourself

For many women, regular salon visits aren't always an option. Salon waxing is popular, but now getting rid of facial hair can be part of your regular, at-home beauty routine with new **Olay Smooth Finish Facial Hair Removal Duo**.

2 Stick to the Program

When time crunched, it's tempting to take beauty shortcuts—but scrimp now, and you'll pay later. Stick to a strict day-and-night regimen, including cleansing to remove dirt, debris, dead skin, and excessive oil, and moisturizing (oily skin, too!) to hydrate, soften, and replenish the skin.
