# THREE ISLANDS TO LOVE

Escape to the U.S. Virgin Islands of St. Croix, St. John and St. Thomas—and discover which island personality captivates you.

From underwater weddings to traditional “Jumping the Broom” ceremonies, each island offers dozens of memorable and intimate settings for couples considering isle-style nuptials—whether hidden away on palm-fringed beaches or in the center of a bustling harbor town.

Here, brides and grooms can create their perfect tropical celebration with the help of friendly local professionals, including wedding coordinators, caterers, photographers, DJs, jewelers and florists.

Plus, the U.S. Virgin Islands are easy to reach and do not require a passport. With the same laws, currency and language, there is no better or more convenient place to celebrate your union or honeymoon than in *America's Caribbean*.
