

MIXOLOGIST

PRESENTED BY COVERGIRL

As every style master knows, creating a dynamic look is all about the mix: one part key pieces, one part imagination. Begin with a basic—like skinny black jeans—then add accessories, textures, and colors for a distinctive twist and endless variations. Your finishing touch? Just the right makeup. Glam it up or tone it down to match your mood. For inspiration, check out the **COVERGIRL** looks featured at right.
