

Anti-Aging Power Couple

Essential anti-aging solutions recommended most by dermatologists.

Apply **Rapid Wrinkle Repair® Night Moisturizer** and, in one week, you'll wake up to diminished lines and wrinkles.

Protect against UVA/UVB rays that can cause sunspots and premature aging with **Healthy Defense® Daily Moisturizer SPF 50**.

Neutrogena

High-Visibility Pair

Radiant, even skin from clean start to smooth finish.

Visibly Even® Foaming Cleanser gently exfoliates with skin-brightening vitamin C and Essential Soy® to deliver radiant, even-toned skin.

Visibly Even® BB Cream Broad Spectrum SPF 30 helps to brighten and minimize the look of discolorations and dark spots, giving you more flawless, even-looking skin.

Neutrogena

Zit-Zapping Duo

#1 dermatologist-recommended solutions for clear skin.

Oil-Free Acne Wash Pink Grapefruit washes away oil and fights breakouts, while natural grapefruit essence packs a refreshing punch.

SkinClearing Oil-Free Makeup with MicroClear® treats acne as it flawlessly covers. Available in 12 natural-looking shades.

Neutrogena

TRUST YOUR SKIN TO
NEUTROGENA®.
Dermatologists do.

NEUTROGENA® products are clinically tested to be both gentle and effective so you can get healthy, beautiful skin. Dermatologists have known this for years. In fact, NEUTROGENA® is recommended by dermatologists **2X** more than any other skin-care brand.
