SOULFUL VOWS

Now you can marry in one of the most superbly seductive spots on earth with a soul-filled ceremony.

SYMBOLIC LOVE

Add some magic to your nuptials with one of Palace Resorts' extraordinary new "Symbolic Wedding Packages" that were just introduced for the 2008 season. These ceremonies are legally non-binding, and perfect for couples who dream of exchanging "I do's" in a tropical paradise—but prefer the simplicity of processing their legal paperwork in the U.S.

I DO, YOUR WAY

At Palace Resorts—the leader in all-inclusive destination weddings throughout sun-kissed Mexico, and soon the Dominican Republic—creative couples can design their perfect day. There are numerous options to choose from, including the "Free" Symbolic Wedding Package, which is available to guests as part of their room rate when they stay at any of the seven Palace wedding resorts for three nights or longer. For couples looking to add a little something special, Palace Resorts also offers several enhanced packages that include fabulous options.
